## Timeline

- 📍 2025 - 5 years at magaya.com
- 🚀 2021 - Founder of divengine.sr
- 🏠 2011 - Founder apretaste.com
- 🎓 2010 - Computer Engineer
- 🏆 2009 - ACM-ICPC Contest
- 🎓 2004 - High School Graduate
- 💻 1997 - Started programming

I entered the world of computing in 1997. I have experience in multiple programming languages, scalable software architecture and years of working with design and marketing teams have provided me with practical skills in graphical design, branding, and social media.

## Work experience

**2021- Today - Divengine Software Solutions – SU** - <https://divengine.sr> -  
Founder, Owner and Developer
